To whom this may concern,

We are excited to present a unique opportunity for your company to make a profound impact in the lives of children battling cancer through our upcoming event, the **Glimmer Gala**. This fashion show fundraiser, hosted by the Glimmer of Hope Foundation, will take place on May 3rd 2025 at The Rhode Island Convention Center. The event promises an evening of hope, inspiration, and community spirit as our young fighters and survivors take to the runway to showcase their courage and resilience.

About the Glimmer of Hope Foundation: The Glimmer of Hope Foundation is dedicated to providing memorable experiences and unwavering support to children battling cancer and their families. Through various programs and events, we aim to bring joy, relief, and a sense of normalcy to these brave young children and their families during their most challenging times.

About The Glimmer Gala: The Glimmer Gala is more than just a fashion show; it is a celebration of strength and hope. Our young models, who are either currently fighting cancer or have survived it, will grace the runway, symbolizing their journey and resilience. The event will feature an exciting lineup of fashion, live entertainment, and a silent auction, with all proceeds directly benefiting our programs and services.

OUR STORY

Ella Catherine Integlia, an avid reader and social butterfly, was diagnosed with Acute Lymphoblastic Leukemia at 11. She wrote to American Girl asking for a bald doll to help girls like her feel confident during their battle. When she received the doll, she named it "Hope." Ella passed away at 14 but left a lasting legacy. We are honored to continue her dream by gifting bald dolls to children battling cancer through the Glimmer of Hope Foundation.
